Prime Cattle Report (Red Market) – Auctioneer Mark Burgoyne 07831 192603

283 Prime Cattle

Nearly half as many young bulls depleted numbers today, with clean cattle numbers remaining very similar. A tremendously good trade resulted with an overall average of 136p/kg to report – the best so far in 2008! A ring full of buyers as one face returned after a short holiday produced competitive bidding from start to finish.

A very good entry of well-finished steers forward along with a sprinkling of quality butcher's heifers and steers. Heifers sold to a high of 170p for 500kg Blondes, with several above 160p/kg. Bullocks sold passed 150p on numerous occasions to 157p for two vendors. Less shapely beasts much dearer today with O+ cattle well above 130p/kg.

The young bull entry was disastrously low today and sold to an exceptional trade, selling to 155p/kg. Less Holsteins forward sold to 128.5p and averaged 120p/kg.

45 Over Thirty Month Cattle

38 cows sold to average 97p/kg. Grade 1 Limousin cows sold to 132p for 692kg. 856kg Holstein cows to 101p/kg. Meat was very dear all through as were steakers which all sold above 85p/kg and mainly above 90p. Boning cows well above 70 pence on most occasions.

Limousin heifers sold to 138p & 134.5p/kg for 542kg & 528kg, other 544kg heifers to 130p. 786kg steers to 125p for a 'deserving cause'.

656kg Holstein bulls to 109.5p. 932kg Montbeliards to 94p/kg.
