## Prime Cattle Report (Red Market) Auctioneer Mark Burgoyne 07831 192603

### 255 Prime Cattle

With fewer quality cattle penned this morning following last week's Christmas Show, a very good trade resulted with fresh orders for lean, heavy breaking cattle this morning. An overall average of 152p/kg resulted with only heavy-bellied over-fit cattle penalised.

Butcher's orders were still fairly buoyant and not totally filled up after last Tuesday's marvellous array of beasts, with heifers still selling to 196p or £1082.40 and steers seeing a tremendous price rise on second string types. Best bullocks to 185p/kg or £1207.68.

Well finished bulls at a marked premium saw Continentals to 175p/kg or £1098.36 with Friesians to 153p/kg.
