Prime Cattle Report (Red Market)

Auctioneer: Mark Burgoyne 07831 192603

196 Prime Cattle

A decent number of clean cattle forward saw trade holding up pretty well, as deadweight centres try to pull prices back again this week. A distinct lack of bulls- especially good fit bulls, makes filling orders for these a problem. An overall average of 154p/kg resulted with not too many best cattle forward.

More bullocks entered this morning, but with less meat met a dearer trade, with lean dairy bred cattle above dead quotes. Best shapely cattle thin on the ground saw steers to 185p/kg and heifers to 189p/kg on two occasions. Butchers heifers with shapely 'bums' almost non-existent.

Larger bull entry needed, with trade well in line, if not in front of most. Best bulls available sold to 170p/kg. Holsteins with meat a very good trade, selling to 155p/kg.

46 Over Thirty Month Cattle

A tremendous cow trade - where will you find this much competition for this number of cattle (7 buyers forward)? We fail to understand why some cows travel 30 miles further away to receive no more per head, but to be charged £10 plus per head commission more. We need all the support we can get with your over thirty monthers.

Limousin steers and heifers sold from 128p/kg to 135p/kg for 652kg from Mr Dumbell. 548kg heifer sold to 132p/kg from David Preece who also sold 788kg cows to 128p/kg (£1008.64). 764kg Limousin cows to 125p/kg (£955) and 128p/kg for Blues both from Allan Evans. Holstein cows were a flier today and sold to 115p/kg for Richard Gough. There was one old dolly that made 25p/kg, but lean boning and steaking cows were generally in the 90 pence's. 1226kg Simmental stock bulls to 95p/kg.

161 Clean Cattle

65 steers sold to average 155p/kg. 530kg Limousins sold to 185p/kg, with three others to 172, 171 and 170p/kg all from John Evans. 618kg Limousins to 172p/kg from Reg Beedles. 506kg to 170p/kg from David Froggett. Heavy dairy bred Charolais to £1215.84, £1156.24, £1136.52 and £1122.30 for 816kg, 776kg, 738kg and 774kg respectively, all from Trevor Gough. 764kg Charolais to £1214.76 from Richard Preece. 748kg Limousins to £1196.80 from John Evans. 734kg Limousins to £1108.34 from James Tudor. Hereford Steers to 146p/kg from Roger Cantrill. Holstein steers to 146p/kg from James Tudor once again.

96 heifers sold to average 156p/kg. 467kg and 518kg Limousins to 189p/kg and 185p/kg both from Neil Preece. 548kg Blues from T&B Williams sold to 189p/kg (£1035.72). 464kg Charolais to 185p/kg and 454kg to 183p/kg both from Steve Perkins. 436kg to 184p/kg from Dave Chilton. 730kg Holstein crosses to £1065.80 from James Tudor. 674kg Limousins to £1024.78 for Steve Hodgetts. Hereford heifers were fairly average today, selling to 128p/kg.
