## Prime Cattle Report (Red Market)

**Auctioneer: Mark Burgoyne 07831 192603**

### 277 Prime Cattle

Trade no faster with more cattle forward as anticipated following Bank Holiday week – beautiful harvesting conditions would have kept some numbers away also. A very decent trade with an average similar to last week of 154p/kg. There were plenty of over fat beasts forward.

A better number of steers forward met firm returns selling up to 177p/kg or £1154.40. Plenty of butchers heifers entered with many too fat. Shapely, lean retail heifers easiest sold to 189p/kg. Let's hope the hot weather encourages the barbeques to rev up at the weekend!

Bull trade a little easier perhaps by 2p/kg saw Continentals to 178p/kg or £1153.44. Holstein bulls in very short supply but still a good trade selling to 143p/kg.

### 196 Clean Cattle

58 steers sold to an overall average of 155p/kg. 542kg Limousins from Neil Preece sold to 177p/kg and another 622kg Blue from the same home sold to 171p/kg. ### 1387 Lambs

An easier trade this week with retailers experiencing reduced demand with the change of weather over the weekend, together with the strong pound against the euro.

270 Hoggetts sold to 175p/kg with quality very mixed and weights from 23.5kg to 75kg. Light weights still attracting a lot of interest.
