

Darlington Farmers Auction Mart carried out the unreserved and complete retirement sale of Messer's R W & N E Hull of Manor House Farm, Heighington on Saturday 25th March 2017.

Our hosts were blessed with the most stunning day of the year so far with clear blue skies and sunshine ensuring a terrific crowd gathered, the weather combined with the exceptional order of Messrs Hull's Tractor's and Machinery brought together 92 active buyers from far and wide; from Northumberland in the North and as far South as Worcestershire, to the West coast of Cumbria and beyond the coast to the East over to Poland the trade was truly exceptional for everything on the day.

The highlight and days leading price was naturally the New Holland T6030 Plus tractor, an immaculate example of its kind the 2008 registered machine had only accumulated 2500 hours and sold for £29'000. The S registered loader tractor a New Holland 6635 also sold well on the day as bidding reached £11'600 as did the Superior 1T PTO driven corn mill which sold for £4600. The 10T twin axle Triffit Grain trailer sold for £3000 whilst the immaculate Ifor Williams 12ft Livestock trailer reached £2550.
