

Farm Dispersal Report 31st March 2018

On Behalf of Messrs F Lowrison (Farmers)

Dents Hall Farm, Ryton, Newcastle-Upon-Tyne

The wintry conditions in no way detracted any attention away from a wonderful sale of extremely well maintained and modern farm machinery. The sale due to a change in farming policy at Dents Hall was very well supported by 45 active buyers from as far afield as North Wales, Scotland, East Yorkshire and all across the North East not to mention a large crowd of friends and neighbouring farmers.

The principal prices were as expected achieved by the modern machinery (see below)
