

Darlington Farmers Auction Mart were instructed to carry out the complete unreserved dispersal of Combines, Tractors and Machinery at Creaking Tree Farm, Halnaby, Middleton Tyas on Saturday 12th May 2018.

A staggering crowd gathered in the glorious Richmondshire sunshine for the eagerly anticipated entire dispersal at Creaking Tree Farm, such was the volume of people that the 'flying' trade was unsurprising with buyers from all four corners of the UK in attendance, many of whom left empty handed given the extraordinary values of some extremely well maintained vehicles and implements.

The top lot as expected was the 2010 registered Claas Tucano 320 self - levelling combine with an 18ft vari header which with just 640 hours to its name sold for £64'000. All tractors, vehicles and implements sold extremely well, below are some of the other leading prices-
