

MARKET REPORT – SATURDAY 25TH APRIL 2015
SPRING SALE OF TRACTORS, IMPLEMENTS & FARM MACHINERY

Darlington Farmers Auction Mart held their spring sale of
Tractors, Implements and Farm Machinery on Saturday the 25th April 2015.

The Durham wind blew strong enough to keep the rain away just long enough for us to almost finish the sale, this however did not detract from a huge crowd gathering to witness what was certainly the largest and highest quality entry we have ever seen. Over 100 vendors and 150 active buyers sold a total of 674 lots with a very impressive clearance rate of over 85%.

The top priced lot was a 6 cylinder 110 horse power 4 wheel drive Deutz DX 6.06, the fine example had only one previous owner and less than 6000 genuine hours, it was knocked down for £7000.

Other highlights included.....

Endorossi 770 Dragonfly Twin Rota Rake sold for £6000

14 Ton A S Trailer with Hydraulic Door sold for £5500

Ford New Holland 655 Special sold for £5100

Massey Ferguson 6069 sold for £5000

Pel Job EB36 4 Ton Digger sold for £4600

Case Loader Tractor sold for £4500

Twose 6.3 Metre Rollers sold for £3100

Many other lots sold well above their expected values as the day was a resounding success for all our vendors, as usual timber and fencing materials were in demand and as were livestock requisites and we even managed to sell a couple of squirrels.

Next collective sale is scheduled for Saturday 27th June 2015, entries will close on Monday 15th June 2015 at 12 Noon.
